

Ame · Ame

To whom it may concern:

Based on my experience of working with Vladimir Khokhlov, he is an artist who is all of the following:

Talented & skillful
Professional
Honest
Diligent
Respectful
Enjoyable to work with

He produced for me very beautiful artwork to use with postcards and other promotional material for my company Ame Ame (www.AmeRain.com), an Delaware LLC that sells raingear and does business out of New York.

He's at the top of my list for people I'd like to work with more in the future.

Sincerely,

 8/13/2010
